Then mention your need and it will be granted , Allah willing . It is reported that you . must recite this supplication only in a state of ritual purity

DUA'AAA–U YASTASHEER

This supplication is recommended for the removal of all troubles and worries , and it is recommended that it be performed with ablution . It is narrated that it was taught to the first Imam , 'Ali , peace be upon him , by the Prophet , may Allah bless him and his . Progeny

So by Thy generosity , might Mercy and bounteousness , comply with our supplication ,

O Allah , bless Mohammed , and his pious and pure Progeny and give them abundant , peace ! O the Most Merciful of the Merciful

The Event of the Cloak

In the name of Allah , the All-Merciful , the All-Compassionate

Fatimatuz-Zahra , the daughter of the Prophet , peace be on them , is to have thus : (related (an event

My father , the Prophet of Allah , came to my house one day and said to me : "Peace "be on you , Fatimah

"I replied : "And upon you be peace

"Then he said : "I feel weakness in my body

"I said : " Allah protects you from weakness , father

"He said : "Fatimah , please bring the Yemeni cloak and cover me with it

. So , I brought the Yemeni cloak and covered him with it

Then , I looked at him and saw that his face was

.shining like a full moon with its glory and splendor

"After a while , my son Hasan came in and said : "Peace be on you , mother

"I replied : "And upon you peace , O light of my eyes , and the delight of my heart

He then said : " Mother ! I smell a fragrance so sweet and so pure as that of my "grandfather , the Prophet of Allah

"I replied : "Yes . Your grandfather is lying underneath the cloak

Hasan went near the cloak and said : "Peace be on you , my grandfather , the Prophet " ? of Allah; May I enter the cloak with you

He replied : "And upon you peace , my son and the master of my fountain (Kauthar) , "you are given the permission to enter

.So , Hasan entered the cloak with him

"After a while , my son Husain came in and said : "Peace be on you , mother

"I replied : "And upon you peace , O light of my eyes , and the delight of my heart

He then said : "Mother ! I smell a sweet fragrance like that of my grandfather , the "Prophet of Allah

"I replied : "Yes . Your grandfather and your brother are lying underneath the cloak

Husain stepped towards the cloak and said : "Peace be on you , my grandfather , the " ? chosen of Allah; May I enter the cloak with you

He replied : "And upon you peace , my son and the interceder of my

"followers , you are given the permission to enter

. So , Husain entered the cloak with them

After a while , Abul Hasan , Ali bin Abi Talib came in and said : "Peace be on you , O "daughter of the Prophet of Allah

I replied : "And upon you peace , O father of Hasan , and the Commander of the "faithful

He then said : "Fatimah ! I smell a sweet fragrance like that of my bother , (my cousin) ", the Prophet of Allah

"I replied : "Yes . He is underneath the cloak with your two sons

So , Ali went near the cloak and said : "Peace be on you , Prophet of Allah; May I enter " ? the cloak with you

He replied : "And upon you peace , my brother , my legatee , my successor , and my "standard bearer , you are given the permission to enter

. So , Ali entered the cloak with them

Then I stepped forward and said : "Peace be on you , my father , O Prophet of Allah; " ? May I enter the cloak with you

He replied : "And upon you peace , my daughter , O part of my self; you are given the "permission to enter

. So , I entered the cloak with them

Getting together underneath the cloak , my father , the Prophet of Allah , held the two : ends of the cloak and raised his right hand towards the heavens and prayed

O Allah , these are the people of"

. my Household (Ahlul-Bayt) . They are my confidants and my supporters

. Their flesh is my flesh and their blood is my blood

. Whoever hurts them , hurts me too

. Whoever displeases them , displeased me too

. I am at war with those at war with them

. I am at peace with those at peace with them

I am the enemy of their enemies and

. I am the friend of their friends

. They are from me and I am from them

O Allah ! Bestow Your Blessings , Benevolence , Forgiveness and Your pleasure upon "me and upon them . And remove impurity from them and keep them thoroughly pure

: Then the Lord , Almighty Allah said

O My angles ! O Residents of My Heavens , verily , I have not created the erected Sky" , the stretched earth , the illuminated moon , the bright sun , the rotating planets , the flowing seas and the sailing ships , but for the love of these Five lying underneath the "cloak

" ? Gabreil , the trusted angle , asked : "Who are under the cloak

The Almighty answered : "They are the Household of the Prophet and the assets of "Prophethood . They are : Fatimah , his daughter , her husband and her two sons

? Gabreil said : " O Lord , May I fly to earth to be the sixth of them

"Allah replied : " Yes . You are given the permission

Gabreil , the trusted , landed near them and said : "Peace be on you

O Prophet of Allah . The All-Highest conveys His peace on you and His greetings and , : says

By My Honor and Glory , "O My angles ! O Residents of My Heavens , verily , I have" not created the erected Sky , the stretched earth , the illuminated moon , the bright sun , the rotating planets , the flowing seas and the sailing ships , but for your sake "and love

God has given me permission to enter the cloak with you . May I join you , O Prophet " ? of Allah

The Prophet replied : "And peace be on you , O trusted bearer of Allah's Revelations ! , "you are granted the permission

So , Gabreil entered the cloak with us and said to my father : "Allah sends His Revelations to you

Verily Allah's desire is to remove blemish from you , O People of Household (Ahlul- " "Bayt) and purify you with a perfect purification

Then Ali said to my father : " O Prophet of Allah , tell me , what significance has Allah " ? given for getting together underneath this cloak

The Prophet replied : "By Him who rightfully appointed me a Prophet and chose me a , Messenger for the salvation of the mankind

whenever and wherever an assembly of our followers and friends mention this event ,

;Allah will bestow on them His Blessings and Mercy

angles will encircle them asking Allah the remission of their sins until the assembly disperse

So Ali said : " Verily , by the Lord of

"Kabba ! , we and our followers are the winners

Then my father replied : "By Him who rightfully appointed me a Prophet and chose me , a Messenger for the salvation of the mankind

whenever and wherever an assembly of our followers and friends mention this event ,

, there shall remain none grieved but Allah will remove his grief

, there shall remain none distressed but Allah will dispel his distress

. there shall remain none wish-seeker but Allah will grant his wish

Ali happily said : " Verily , by the Lord of Kabba ! , we and our followers are the winners "and the blessed , in this world and the next

About center

:Introduction

Ghaemiyeh Computer Research Institute of Isfahan, from ٢٠٠٧, under the authority of Ayatollah Haj SayyedHasanFaqihImami (God blesses his soul), by sincere and daily efforts of university and seminary elites and sophisticated groups began its activities .in religious, cultural and scientific fields

:Manifesto

Ghaemiyeh Computer Research Institute of Isfahan in order to facilitate and accelerate the accessibility of researchers to the books and tools of research, in the field of Islamic science, and regarding the multiplicity and dispersion of active centers in this field

and numerous and inaccessible sources by a mere scientific intention and far from any kind of social, political, tribal and personal prejudices and currents, based on performing a project in the shape of (management of produced and published works from all Shia centers) tries to provide a rich and free collection of books and research papers for the experts, and helpful contents and discussions for the educated generation and all classes of people interested in reading, with various formats in the .cyberspace

:Our Goals are

(propagating the culture and teachings of Thaqalayn (Quran and Ahlulbayt p.b.u.t-

encouraging the populace particularly the youth in investigating the religious issues-

replacing useful contents with useless ones in the cellphones, tablets and computers-

providing services for seminary and university researchers-

spreading culture study in the publich-

paving the way for the publications and authors to digitize their works-

:Policies

acting according to the legal licenses-

relationship with similar centers-

avoiding parallel working-

merely presenting scientific contents-

mentioning the sources-

.It's obvious that all the responsibilities are due to the author

:Other activities of the institute

Publication of books, booklets and other editions-

Holding book reading competitions-

Producing virtual, three dimensional exhibitions, panoramas of religious and tourism- places

.Producing animations, computer games and etc-

Launching the website with this address: www.ghaemiyeh.com-

Fabricatingdramatic and speech works-

Launching the system of answering religious, ethical and doctrinal questions-

Designing systems of accounting, media and mobile, automatic and handy systems,- web kiosks

Holding virtual educational courses for the public-

Holding virtual teacher-training courses-

Producing thousands of research software in three languages (Persian, Arabic and- English) which can be performed in computers, tablets and cellphones and available and downloadable with eight international formats: JAVA, ANDROID, EPUB, CHM, PDF, HTML, CHM, GHB on the website

Also producing four markets named "Ghaemiyeh Book Market" with Android, IOS,- WINDOWS PHONE and WINDOWS editions

:Appreciation

We would appreciate the centers, institutes, publications, authors and all honorable .friends who contributed their help and data to us to reach the holy goal we follow
